

Tanushka Faguna

FRONTEND DEVELOPER & CONTENT WRITER

ABOUT ME

I am a passionate Frontend Developer and Content Writer who combines technology and creativity to create innovative web applications and content solutions. My focus is on user-friendly interfaces, responsive web designs, and SEO-friendly content that provide a seamless experience for end users.

EDUCATION

- **Higher Secondary School** **2019-2020**
Ebenezer H.S. School Banmore
- **B.Sc. (Computer Science)** **Undergraduate**
Jiwaji University

EXPERIENCE

- **Ecommerce Website**
Frontend Designer
 - I designed and developed a e-commerce website to facilitate online products sales. I played the role of front-end developer the website's frontend using HTML, CSS and JavaScript.
- **Figma Porfolio**
Figma Designer
 - I created a professional figma portfolio that showcases my creativity and figma skills. Utilized tools and techniques such as layers, masking and blending modes to achieve desired effects.
